

## Classrooms

Counselors wisdom in assessing needs, discernment in planning, skillful communication.

Classroom teachers efficient time management, insight into student needs, creative planning & energy for teaching.

Classroom assistants an intuitive understanding of needs, helpfulness of spirit, faithfulness in support.

Special education teachers strength in providing care, patience in progress, supportive collaboration, creativity and skill in problem solving regarding needs.

Pray teachers be granted insight to individual learning needs, as well as needs of disruptive children & that they be filled with compassion to effectively deal with those children.

Pray non-Christian teachers would come to know Christ.

Pray Christian teachers would not only continue to grow in their personal relationship with Christ, but also have the courage to fulfill their role as ambassadors for His kingdom.

Pray new students receive kindness from peers, bravery in the unknown, and wise choices in friends.

Pray second language students for patient peers, skilled teachers, access to support services, and understanding of the cultural.

Pray for Kids with special needs for safety, kind peers, understanding teachers, and effective learning skills.
